

# ST. ANTHONY CATHOLIC COMMUNITY

## TITHING REQUEST FORM

Our parish has made a commitment to share the first fruits of our treasure with both those in need and organizations that serve the needs and well-being of others.

The Tithing Committee is seeking your input on how the 2023-2024 tithe should be distributed. We welcome your suggestions and encourage you to bring to our attention worthy causes (registered, tax-exempt organizations) you wish to recommend. Normally, requests for capital campaigns or normal operational expenses are not considered.

Please complete this form and return it to the parish office no later than March 13, 2023. Additional forms are available from the Parish Office.
