March 2026

Dear St. Anthony supporters,

We are thrilled to announce that Auction for All 2025 was a success! Thanks to your incredible generosity and the tireless efforts of our dedicated committee, after expenses were covered, we raised over \$140,000 in support of our parish and school.

Because of the support of our sponsors and attendees, we were able to fund important programs for our community and advance our [Fund A Need: Outdoor Space Remodel](#), a project already in action. We are excited to complete Phases 1–3 this spring, marking a significant milestone in creating a more beautiful, functional outdoor learning and play environment for our students.

We are truly blessed to be part of such a supportive and giving community. Your contributions will make a lasting impact, and we invite you to review the information below to see exactly how these funds were distributed.

Thank you for your continued support of our parish and school. Our Auction Planning Committee reflected on a wonderful evening, and we are excited to begin planning for next year – be on the lookout for a Save-the-Date coming soon!

God bless,
